

CURRICULUM VITAE

Iris Chi, MSW, DSW

Golden Age Association Frances Wu Chair for Chinese Elderly

ACADEMIC QUALIFICATIONS

- 1983 - 1985 University of California, Los Angeles (UCLA)
Doctor of Social Welfare (D.S.W.)
- 1979 - 1981 California State University, San Diego
Master Degree in Social Work (M.S.W.)
- 1974 - 1978 Chinese University of Hong Kong (CUHK)
Bachelor of Social Science (B.Soc.Sci.)

HONORS AND AWARDS

- 2011 – date Member of the Phi Tau Phi Scholastic Honoros Society of America
- 2010 - 2011 Distinguished Visiting Scholar
University of Hong Kong & City University of Hong Kong, China
- 2010 Outstanding paper, 18th Annual Congress of Gerontology
Hong Kong Association of Gerontology, Hong Kong, China
- 2010 - date Fellow, Gerontological Society of America (GSA)
- 2010 – date Gary Andrews Fellow
Australian Association of Gerontology, Australia.
- 2010 – date Honorary Professor, Renmin University of China, Beijing, China
- 2009 Sterling C. Franklin Award for Distinguished Faculty
University of Southern California (USC), USA
- 2007 – date Special Research Fellow, Social Policy Research Center
College of Social Sciences, National Taiwan University
- 2006 – date Advisory Committee Member
Center of Research on Disability and Development, China
- 2006 Mellon Awards for Excellence in Mentoring, USC, USA
- 2004 Bronze Bauhinia Star
The Government of Hong Kong Special Administrative Region, China
- 2003 – date International Consultant
Sau Po Centre on Aging and The Hong Kong Jockey Club Centre for
Suicide Research and Prevention, The University of Hong Kong, Hong
Kong
- 2002 - date Honorary Professor
East China University of Science and Technology, China
- 2002 - date Honorary Professor, Peking University, Beijing, China
- 2002 - date Honorary Professor, Fudan University, Shanghai, China
- 2002 - date Honorary Professor and Research Fellow
China National Ageing Committee, Beijing, China
- 2000 - date Fellow of interRAI, University of Michigan, USA
- 2000 - date Justice of Peace
The Government of Hong Kong Special Administrative Region, China
- 1999 - date Honorary Professor and Associated Health Researcher
Center on Aging, University of Victoria, BC, Canada

2001 - 2008	Consultant and Mentor China-Rochester Suicide Research Centre, University of Rochester, USA
1999 - 2004	Temporary Adviser and Consultant WHO Kobe Centre for Health Development, Japan, WHO Western Pacific Regional Office, Philippines and WHO Headquarter Ageing and Life Course Programme (ALC), Geneva
Aug. 2003	IPA Awards for Research in Psychogeriatrics 11 th Congress of International Psychogeriatrics Association, USA
2002	Outstanding Paper Award Hong Kong Institute of Gerontology, Hong Kong
1997 - 2002	Honorary Professor East China Normal University, Shanghai, China
1999 - 2001	Outstanding Teaching Award Faculty of Social Sciences, The University of Hong Kong, Hong Kong
Sept. 1997	Award for Outstanding Research in Gerontology Hong Kong Association of Gerontology, Hong Kong
May 1997	Certificate of Merit for Housing Research Hong Kong Institute of Planners, Hong Kong
Nov. 1994	Best Research of the Year 1994 The Hong Kong College of General Practitioners, Hong Kong
1992/2001	Distinguished Fellow, K C Wang Education Foundation Fund East China Normal University and Fudan University, Shanghai, China

RECENT INVITED PRESENTATIONS

1. (December, 2010). "Evidence-based Policy and Practice in Caring for Older Adults with Disabilities". Invited plenary speaker in the International Forum for Disability Prevention, China Federation on Disabled Persons, Peking University, Beijing, China.
2. (November, 2010). "New Wine in Old Bottle: Promoting Family Life Education to Older Adults". Invited speaker in Public Lecture Series, Sau Po Center on Aging, University of Hong Kong, Hong Kong.
3. (November, 2010). Invited discussant in Chinese Gerontology Study Symposium, 63rd Annual Conference, Gerontological Society of America, New Orleans, Louisiana.
4. (November, 2010). "The Strategy in Promoting Family Life Education Program for Midlife and Older Adults: The United States Experiences". Invited keynote speaker in Annual Conference on Family Life Education, Ministry of Education, Taipei, Taiwan.
5. (October, 2010). "Evidence-based Practice in Social Work". Invited speaker in the Peter Hodge Memorial Lecture, University of Hong Kong, Hong Kong.
6. (July, 2010). "Comparison of Social Gerontology Research and Education in United States and China". Invited keynote speaker in the International Conference on Chinese Gerontology, Renmin University, Beijing.
7. (July, 2010). "Elder Abuse: Past, Present and Future". Invited keynote speaker in the Elder Abuse Symposium, Hong Kong SKH Social Service, Hong Kong.
8. (June, 2010). "Healthcare Social Work and its Research". Invited speaker in Evidence-based Medicine Seminar, Lanzhou Medical University and Xinjiang Medical University, Kansu and Xinjing, China.
9. (June, 2010). "Long Term Care in Asia". Invited discussant in Long Term Care in Asia Symposium. The 2010 Joint World Conference on Social Work and Social Development, Hong Kong.
10. (May, 2010). "Research, Education and Program for an Aging China". Invited panel speaker in the 2010 Friedman Conference, Harvey Friedman Center for Aging, Washington University in St. Louis.
11. (December, 2009). "Successful Aging in Chinese Societies". Invited keynote speaker in the 10th Anniversary Symposium of Sau Po Centre on Ageing, The University of Hong Kong, Hong Kong.
12. (July, 2009). "US Social Policy on Caregivers". Invited panel speaker in the Symposium on State Social Policy on Caregivers, International Congress of Gerontology and Geriatrics, Paris, France.
13. (December, 2008). "Elderly Services in the 21st Century". Invited speaker, Public lecture, Department of Social Work, Chinese University of Hong Kong, Hong Kong.
14. (May, 2008). Future older adults: Implications for social work practice. Invited public lecture speaker, Department of Social Work, Chinese University of Hong Kong.
15. (January, 2008). Aging theory. Invited public lecture speaker, Department of Social Work, National Taiwan University.
16. (December, 2007). "The Future Trends in Elderly Services". Invited keynote speaker in the Symposium on Meeting the Future Challenges: Residential and

- community services for the seniors, Hong Kong.
17. (December, 2007). Successful aging. Invited public lecture speaker, Department of Social Policy and Social Work, Nankai University, Tianjing, China.
 18. (October, 2007). "Social Gerontological Study: The importance of theory building". Invited keynote speaker in the International Conference on Gerontology, at Ginling College, Nanjing Normal University, Nanjing, China.
 19. (October, 2007). "Long Term Care Workforce: Manpower and training". Invited keynote speaker in the Elder Care Training Seminar, at Beijing, China.
 20. (September, 2006). "Application of RAI in Asia". Invited keynote speaker in the Symposium of Quality of Care in Nursing Home, at Jockey Club Auditorium, Hong Kong.
 21. (July, 2006). "Case management: Means to an end". Invited keynote speaker in the Symposium of Case Management in Enhanced Home and Community Care Services, at Sheraton Hotel, Hong Kong.
 22. (October, 2005). "Continuum of care for the demented older adults". Invited speaker in the Workshop of Care for the Demented Older Adults, at St. Barnabas Adult Day Care Center, Los Angeles.
 23. (August, 2005). "Developing Indigenous Measures for Successful Aging for Chinese Elders". Invited speaker in Social Work Education Conference 2005: When East and West Meet: Global and Local Perspectives from Social Policies to Social Practice Hong Kong Roundtable. Hong Kong.
 24. (August, 2005) "Adherence to Tradition and its Association with Life Satisfaction: Implications for Social Work Practice Among Chinese Elders". Invited speaker in Social Work Education Conference 2005: When East and West Meet: Global and Local Perspectives. Beijing.
 25. (August 2004) "Lengthening of life and emergence of the oldest old: can we extend the healthy longevity survey in Hong Kong?" Invited speaker in Workshop on Determinants of Health Longevity in China. (MPIDR), Rostock, Germany (May, 2004). "Change in Demographic Window in Low Fertility Countries". Invited panel speaker in the International Conference on Demographic Window and Healthy Ageing: Socio-economic Challenges and Opportunities, Beijing.
 27. (May, 2004). "Long Term Care System and Financing". Invited panel speaker in *the Pre-meeting on Demographic Window of Population Ageing: Challenges and Opportunities*. Faculty of Social Sciences, The University of Hong Kong, Hong Kong.
 28. (April, 2004). "Active Aging Policy: Implementation in Hong Kong". Invited speaker in *the World Health Organization Symposium of the 18th World Conference on Health Promotion and Health Education*. Melbourne.
 29. (March, 2004). "Active Aging: Developing a Chinese Life Nourishment Program". Keynote speaker in *the 10th Anniversary Dinner*. Evergreen Senior Center, Los Angeles.

RECENT CONFERENCE PRESENTATIONS:

1. Guo, M., Chi, I. & Silverstein, M. (January, 2011). Families as context: Interactions among adult siblings in providing support for elderly parents in rural China. In Annual Conference of the Society for Social Work and Research, Tampa, Florida.

RESEARCH GRANTS

Since 1988, I have participated in about 80 major research projects. Majority of these grants were awarded to me as the principal investigator. I have also been involved in 7 international collaborative projects. Four projects have won the research awards.

1. “Study on the social aspects of elderly hip fractures patients in Hong Kong”. Research and Conference Grants Committee of the University of Hong Kong. 1987-1989. HK\$80,000. Principal investigator
2. “A health survey of elderly in Hong Kong”. University Grant Council. 1988-1989. HK\$150,000. Principal investigator.
3. “Elderly dietary calcium intake and other risk factors in osteoporosis study”. Research and Conference Grants Committee of the University of Hong Kong. 1988-1990. HK\$50,000. Principal investigator.
4. “Evaluation on the respite care service for the elderly in Hong Kong”. The Jockey Club Charities Trust. 1989-1990. HK\$120,000. Principal investigator.
5. “An evaluation study of the health promotion program for the elderly in Hong Kong”. St. James’ Settlement. 1989-1995. HK\$350,000. Principal investigator.
6. “Evaluation on the skill laboratory training of the BSW program in the department of social work of the University of Hong Kong”. The Research and Conference Grants Committee of the University of Hong Kong. 1989. Co-investigator.
7. “Study on the social support of the cancer patients in Hong Kong”. The Chinese University of Hong Kong. 1989-1990. Co-investigator.
8. “Pilot study on the mental health instruments for the elderly in Hong Kong”. The Research and Conference Grants Committee of the University of Hong Kong.

- 1990-1992. HK\$50,000. Principal investigator.
9. "Cross-national study of elderly Chinese, and Chinese Americans". Centre for Pacific Rim Studies of the University of California. 1990-1992. US\$1,500,000. Co-investigator.
 10. "Health risk, health condition survey of the old-old in Hong Kong". The Croucher Foundation. 1991-1994. Co-investigator
 11. "A mental health and social support study of the old-old in Hong Kong". Research Grant Council. 1992-1994. HK\$200,000. Principal investigator.
 12. "Cross-national study of elderly Japanese, and Japanese Americans". The Centre for Pacific Rim Studies of the University of California and some private funding. 1992-1996. Co-investigator.
 13. "Community attitudes to institutional care of the aged". The Research and Conference Grants Committee of the University of Hong Kong. 1993-1994. Co-investigator. Best Research of the Year 1994 Award by the Hong Kong College of General Practitioners.
 14. "Community care and the elderly in Hong Kong: A study of quality of life in the elderly". The Research and Conference Grants Committee of the University of Hong Kong. 1994. HK\$100,000. Principal investigator.
 15. "A trend study of the older people in Hong Kong". Research Grants Council of the Government of Hong Kong Special Administrative Region. 1995. HK\$340,000. Principal investigator.
 16. "An epidemiological study of depression and cognitive impairment among the elderly in Shatin". Croucher Foundation and other private donations. 1994-1996. Co-investigator.
 17. "A comparative study of drug utilization among the Chinese elderly in Canada and Hong Kong". 1995. Principal investigator.
 18. "A comparative study on the adaptation of Chinese elderly in Beijing, Guangzhou, Shanghai, Suzhou, Hong Kong and Vancouver". The Research and Conference Grants Committee of the University of Hong Kong, HK\$150,000 and the University of Victoria, \$35,000. 1995-1996. Principal Investigator.
 19. "A comparative study on the cultural factors in illness and health seeking behaviour of the Chinese elderly in Beijing and Hong Kong". The University of Missouri. 1996. HK\$100,000. Principal investigator.
 20. "Case management in long term care". The United Kingdom/Hong Kong Joint Research Scheme of the British Council. 1995-1996. \$77,980.
 21. "Market and marketing research for senior citizen residences". 1995-1996. Hong Kong Housing Society, the Government of Hong Kong Special Administrative Region, China. 1995-1996. Co-investigator. '97 Certificate of Merit by the Hong Kong Institute of Planners.
 22. "A study of the needs of elderly people in Hong Kong for residential care and community support service". The Health & Welfare Branch of the Government of Hong Kong Special Administrative Region, China. 1996.
 23. "Elderly suicide study". The international Befrienders. 1996. HK\$90,000. Principal investigator. 10th Anniversary Award for Outstanding Research in Gerontology from the Hong Kong Association of Gerontology in September 1997.
 24. "The utilization of aged care services by frail elderly and their family carers". The Health Service Research Grant, Hospital Authority of the Government of Hong Kong Special Administrative Region, China. 1996. HK\$707,922.
 25. "Use of the Minimum Data Set (MDS) to assess the health outcomes among the frail elderly". The Research and Conference Grants Committee of the University of Hong

- Kong. 1997-1998. \$76,956. Principal investigator.
26. "Evaluation study on social networking for the elderly". The Social Welfare Department of the Government of Hong Kong Special Administrative Region, China. 1997-1998. HK\$0.5 million.
 27. "Falls and fall-related injuries in community-dwelling elderly persons in Hong Kong". The Health Services Research Committee of Hospital Authority, the Government of Hong Kong Special Administrative Region, China. 1997. HK\$669,160. Co-investigator.
 28. "Review of care services for elderly living in the community". The Health and Welfare Bureau, the Government of Hong Kong Special Administrative Region, China. 1998. HK\$792,000. Principal Investigator.
 29. "Use of intellectual ability tests to assess the cognitive ability among the Hong Kong Chinese older adults". Research and Conference Grants Committee of the University of Hong Kong. 1998. HK\$180,000. Principal Investigator.
 30. "A longitudinal study of the older people in Hong Kong". The University Research Committee of the University of Hong Kong. 1998. HK\$120,000.
 31. "A cross-sectional study of intellectual development among Hong Kong adults: Validation of everyday problem solving test". The University Research Committee of the University of Hong Kong. 1999. HK\$116,000. Co-investigator.
 32. "A longitudinal study of the older people in Hong Kong: Using selection, optimization and compensation as strategies for successful aging". The University Research Committee of the University of Hong Kong. 1999. HK\$116,000. Principal Investigator.
 33. "To identify psycho-social factors contributing to physical exercise pattern among Hong Kong older adults". The University Research Committee of University of Hong Kong. 1999. HK\$65,000. Co-investigator.
 34. "A study on the volunteering aspirations of retired or retiring professionals in Hong Kong". Hong Kong Young Women's Christian Association. 1999.
 35. "Use of the Minimum Data Set (MDS) to assess the health outcomes among the attendants of elderly health centres". Health Service Research Committee of Hospital Authority, the Government of Hong Kong Special Administrative Region, China. 1999. HK\$700,000. Principal investigator.
 36. "Consultancy study on gate keeping initiative for elderly services: System of assessment for service matching and prioritization of services". Social Welfare Department, the Government of Hong Kong Special Administrative Region, China. 1999. HK\$500,000.
 37. "Consultancy study on quality of life of elderly people in Hong Kong". The Health and Welfare Bureau of the Government of Hong Kong Special Administrative Region, China. 1999. HK\$780,000. Co-investigator.
 38. "Dementia day care centre in central and western district". S.K. Yee Medical Foundation Grant. 1999. HK\$1,576,310.
 39. "Consultancy for provision of housing and care services for the elderly in public housing estates". Hong Kong Housing Authority, the Government of Hong Kong Special Administrative Region, China. 2000, HK\$457,680. Co-investigator.
 40. "Consultancy study on the review of day care centres, multi-service centres and social centres for the elderly and integration of elderly care services". Health and Welfare Bureau, the Government of Hong Kong Special Administrative Region. 1997-1998. HK\$953,000. Co-investigator.
 41. "A multi-disciplinary approach to understanding elderly suicide in Hong Kong". Health and Welfare Bureau, the Government of Hong Kong Special Administrative

- Region, China. 1998-2000. HK\$980,000. Co-investigator.
42. "Develop an effective dementia services for elderly persons in Hong Kong." United Kingdom/Hong Kong Joint Research Scheme. 1999-2000. HK\$72,040.
 43. "A validation study on the Parkinson disease questionnaire". Faculty Research Grant of the University of Hong Kong. 2000. HK\$10,000. Principal Investigator.
 44. "A study of accommodation preference in Shenzhen of the older adults from Hong Kong". The Society of Hong Kong Rehabilitation. 2000-2001. HK\$200,000. Principal Investigator.
 45. "To identify the pattern of physical exercise and determinants contributing to the engagement in physical exercise among Hong Kong older adults". Health Care & Promotion Fund Committee of Hospital Authority, the Government of Hong Kong Special Administrative Region, China. 2000-2002. HK\$799,350. Co-investigator.
 46. "A community oriented analysis of older adults: Health needs resources for health and health services utilization in Hong Kong". Department of Nursing and Health Science of Hong Kong Polytechnic University. 2001. HK\$200,000. Co-investigator.
 47. "A study of new prototype of ATM for older persons in Hong Kong". Hong Kong and Shanghai Banking Corporation. 2001. HK\$200,000. Co-investigator.
 48. "A study of using RAI 2.0 in residential care homes in Hong Kong". S. K. Yee Medical Foundation Grant. 2001. HK\$500,000. Co-investigator.
 49. "The effects of gerontology and geriatrics programmes of Hong Kong University on the community: A survey on employers, alumni, and educators". The Wu Jieh-Yee Research Fund, University of Hong Kong. 2001. HK\$80,000. Co-investigator.
 50. "Opinion survey on the public's views on age discrimination in recruitment". Education and Manpower Bureau, the Government of Hong Kong Special Administrative Region, China. 2001. HK\$350,000. Principal Investigator.
 51. "Developing a self maintenance therapy for elderly persons with dementia in Hong Kong". Germany/Hong Kong Joint Research Scheme. 2002. HK\$41,900. Principal Investigator.
 52. "The role of cognitive theory and interpersonal theory in depression among Chinese older adults". The University Research Council of University of Hong Kong. 2002. HK\$120,000. Principal Investigator.
 53. Health promotion needs for the soon-to-be old and caregivers in Hong Kong". Elderly Service, Department of Health, the Government of Hong Kong Special Administrative Region, China. 2002. HK\$180,000. Co-investigator.
 54. "A study of anti-smoking attitude among the social workers". The Community Partnership Scheme, Healthy Ageing Committee, the Government of the Government of Hong Kong Special Administrative Region, China. 2002. HK\$890,000. Co-investigator.
 55. "To improve the physical & psychological well-being of elderly residents in nursing homes by utilization of RAI 2.0 in care planning". Health Care & Promotion Fund Committee of the Hospital Authority, the Government of Hong Kong Special Administrative Region, China. 2002. HK\$820,600. Principal Investigator.
 56. "The impact of physical exercise on health care service and social service utilization among Hong Kong Chinese Older adults". University Research Council Small Project Funding, University of Hong Kong. 2002. HK\$80,000. Co-investigator.
 57. "Comprehensive study on the housing needs of the elderly in Hong Kong". Housing Society, the Government of Hong Kong Special Administrative Region, China. 2003. HK\$2,000,000. Co-investigator.
 58. "Depression and causal attribution in Hong Kong older adults". University Research Council Seed Funding for Basic Research, University of Hong Kong. 2003.

- HK\$60,000. Co-investigator.
59. “Depression, self-destructive behavior, suicide among residents of residential facilities for elderly people in Hong Kong”. University Research Council Seed Funding for Basic Research, University of Hong Kong. 2003. HK\$60,000. Principal Investigator.
 60. “Tai Chi and depression: A randomized controlled trial”. The project is funded by University Research Council Seed Funding for Basic Research, University of Hong Kong. 2003. HK\$120,000. Co-investigator.
 61. “Relationship between SARS (Severe Acute Respiratory Syndrome) outbreak and psychological well-being in Hong Kong older adults”. Hong Kong Council of Social Service. 2003. HK\$130,000. Co-investigator.
 62. “Family caregiving for dementia elders and social support: A social cognitive approach”. Research Grant Council of the Government of Hong Kong Special Administrative Region, China. 2003. HK\$499,000. Principal Investigator.
 63. “Exercise health promotion in older adults: a randomised controlled clinical intervention study”. Health and Health Service Research Fund of Hospital Authority, the Government of Hong Kong Special Administrative Region, China. HK\$658,644. Co-investigator.
 64. “Who will pay for long term care in Hong Kong: Public or private responsibility?”. Research Grant Council of the Government of Hong Kong Special Administrative Region. 2004. HK\$1,102,080. Co-investigator.
 65. “Reverse mortgage: A promising financial tool for “house-rich, cash-poor” older persons in Hong Kong”. University Grant Council for Basic Research, University of Hong Kong. 2004. HK\$112,000. Co-investigator.
 66. “Measuring individualized care for persons with dementia in long-term care facilities: A validation study”. University Development Fund for Applied Neuroscience Research Project, University of Hong Kong. 2005. HK\$94,000. Co-investigator.
 67. “A study on a financially sustainable retirement protection system in Hong Kong”. Research Grant Council of the Government of Hong Kong Special Administrative Region, China. 2005. Co-investigator.
 68. “Building Self Care Capabilities among Asian Older Adults: Internet as Resource”. University of Southern California Undergraduate Research Funds. 2004 and 2006. US\$16,000. Co-investigator.
 69. “Building self care capabilities among Chinese older adults through internet: An outcome study”. University of Southern California Undergraduate Research Funds. 2005. US\$8,800. Principal Investigator.
 70. “Population aging in China: Social, health, and policy implications”. University of Southern California U.S. – China Institute Faculty Research Grant. 2007. US\$15,000. Co-principal investigator.
 71. “Aging policy seminar in China: Teaching and research initiative”. University of Southern California U.S. – China Institute Faculty Research Grant. 2007. US\$7,500. Principal investigator.
 72. “International study of oral health among elderly Chinese migrants”. Canadian Institute of Health Research. 2007. Co-investigator.
 73. “A study investigating factors that affect long-term care use in Hong Kong”. Hong Kong SAR Government Studies in Health Services. 2007. US\$65,000. Co-investigator.
 74. “A study on effectiveness of integrated home care service in community care for elder people in Hong Kong. Research Grant Council, University of Hong Kong. 2008. HK\$78,560. Co-investigator.

75. “Intergenerational family support for older adults in China”. University of Southern California U.S. – China Institute Faculty Research Grant and School of Social Work Endowed Research Grant. 2008 - 2010. US\$47,500. Co-principal investigator.
76. “Senior housing study in China”. University of Southern California U.S. – China Institute Faculty Research Grant and Marshall School of Business’ Center for International Business Education and Research and U.S. Department of Education. 2008. US\$15,500. Co-principal investigator.
77. “Cross-national study on professionalization of social work: The role of social work education”. International Association of Schools of Social Work Project Fund. 2008. US\$4,000. Co-principal investigator.
78. “Need assessment of older earthquake survivors in Sichuan, China”. Chinese Disaster Research Grant. 2008. \$20,000. Co-principal investigator.
79. “A study of the interaction pattern between Chinese immigrant grandparents and their adolescent grandchildren”. USC Undergraduate Research Funds. 2008-09. US\$10,000. Principal investigator.
80. “A study investigating factors that affect long-term care use”. Elderly Commission of Hong Kong SAR Government. 2008-2009. Consultant.
81. “Longitudinal Study of Grandparenting, Intergenerational Support and Well-being of Older Adults in Rural China”. USC Undergraduate Research Funds. 2009-10. US\$6,600. Co-principal investigator.
82. “Validation study of the Hong Kong version of interRAI Mental Health and Intellectual Disabilities”. 2009-2010. Consultant.
83. “Study on community care service for the elderly”. Elderly Commission of Hong Kong SAR Government. 2009-2011. Consultant.
84. “A study of oldest-old and centenarians in Hong Kong”. Hang Seng Jubilee Education Research Fund. 2009-2010. Co-investigator.
85. “Social Capital, Social Exclusion, and Healthy Aging in Older Chinese in Los Angeles”. USC Undergraduate Research Program. 2009-2010. US\$6,600. Principal investigator.
86. “Intergenerational Relationships among Chinese Immigrants”. US-China Institute Faculty Research Grant. 2010-2011. US\$6,000. Principal investigator.

TRAINING GRANTS

1. “Educational Training Video on Elder Care”. Hong Kong Jockey Club Charitable Foundation. HK\$6,500,000.
2. “Multi-skill Training Courses for Elder Carers”. Hong Kong Jockey Club Charitable Foundation. HK\$10,000,000.
3. “Training Courses and Accreditation for Gatekeepers”. Social Welfare Department, HKSAR Government. HK\$2,001,870.
4. “Advanced Training Courses for Elder Care Workers”. Social Welfare Department, HKSAR Government. HK\$1,550,000.
5. “Train the Trainers Program”. China National Aging Committee, People’s Republic of China. HK\$180,000.
6. “Long Term Care Management Course”. Beijing Civil Affairs Bureau, People’s Republic of China. HK\$35,000.
7. “Elder Care Training in China – Caring with the Heart”. The Rotary Club of Kowloon, Hong Kong. HK\$500,000
8. “Family Intervention for Gerontology Social Workers”. Hong Kong Women’s

Association, Hong Kong. HK\$15,000.

CONFERENCE GRANTS

1. "Intergenerational Family Support for Chinese Older Adults: New Perspectives on Chinese Culture and Society". Edwards Roybal Institute on Aging. US\$36,000.
2. "International Forum of Disability and Development". China Disabled Persons' Federation. US\$30,000.
3. "Social Economic Development in China". Committee of 125th Anniversary of USC. US\$5,000.
4. "Global Challenges of Biosocial Science and Practice: An Interdisciplinary Conversation". Committee of 125th Anniversary of USC. US\$5,000.
5. "4th International Symposium of Chinese Elderly". Overseas Chinese Institute on Aging. US\$30,000.
6. "3rd International Symposium of Chinese Elderly". Overseas Chinese Institute on Aging. US\$25,000.
7. "2nd International Symposium of Chinese Elderly". Overseas Chinese Institute on Aging. US\$30,000.
8. "First International Symposium of Chinese Elderly". Overseas Chinese Institute on Aging. US\$20,000.
