The Randall Information Center is a digital information and training laboratory that provides seamless access to a wealth of print and electronic resources.

**Features**
- 20 computer stations for easy access to the Internet, email and electronic research tools
- Access to library databases and catalogues and a ceiling-mounted video/data projector
- A duplex printing station available to all social work students
- Available for independent study, class lectures and training seminars
- Special Kurzweil program available to assist students with learning challenges
- APA style and research workshops
- Weekend assistance from 10am to 7pm

**Tutoring**
- Tuesdays & Thursdays 11am to 1pm & 4pm to 6pm
- Friday 11am to 1pm
- Additional hours available based on student requests and tutor availability
- MSW peer tutors and doctoral tutors
- Help with social work content, APA style and study strategies

**Personnel**

**Goldie Fadakar**  
**Student Resource Coordinator**  
Goldie helps MSW students obtain resources that can be beneficial to their success at the University Park Campus and across all academic centers. She coordinates learning support services, including peer and writing tutoring. She also collaborates with various university programs to provide students with the most appropriate and helpful services.
