SELECTED NATIONAL AND INTERNATIONAL PRESENTATIONS:

Schonfeld D: Supporting children, families and ourselves in times of crisis. Keynote address, 11th Annual Perspectives in Pediatrics Conference, St. Louis Children's Hospital, St. Louis, MO, April 27, 2017.

Schonfeld D: Supporting children in times of crisis. H Garry Gardner Memorial Keynote Lecture, 2017 Illinois Chapter of the American Academy of Pediatrics Educational Conference, Lisle, IL, March 3, 2017.

Schonfeld D: Supporting children and families. Invited workshop for Action Duchenne International Conference 2016, London, England, November 11 and 12, 2016.

Schonfeld D: Providing support to children in the aftermath of disaster. Oral presentation within invited Symposium: Pediatricians' response to disasters or large scale violence. 28th International Congress of Pediatrics, Vancouver, Canada, August 19, 2016.

Schonfeld D: Children and disasters: how pediatricians can prepare to meet the needs of children. The NEPAS (Nepal Pediatric Society) Oration at the XVIIIth Nepalese Congress in Pediatrics, Kathmandu, Nepal, June 16, 2016.

Schonfeld D: Supporting children in times of crisis. John Kennell Lecture, Pediatric Grand Rounds, Rainbow Babies and Children's Hospital, Case Western Reserve University, Cleveland, OH, April 21, 2016.

Schonfeld D: Commemoration and memorialization in school settings. Invited plenary presentation (delivered remotely) 9th SAARC (South Asian Association for Regional Cooperation) International Psychiatry Conference: Psychiatry Sans Frontier, Islamabad, Pakistan, March 4-6, 2016.

Schonfeld D: Supporting the grieving child and family. Annual Sandy Hook Memorial Grand Rounds Lecture at CT Children's Medical Center, Hartford, CT, December 15, 2015.

Schonfeld D: Supporting students at times of crisis and loss. Presentation in Models/Programs and Research Presentations: Children in Crisis, Humanitarian Emergencies, War Refugees at the International Developmental Pediatrics Congress, Istanbul, Turkey, December 5, 2015.

Schonfeld D: Supporting the grieving student: new resources for schools. Keynote presentation at the American Federation of School Administrators (AFSA) 14th Triennial Constitutional Conference: Engaged Leadership for a Brighter Future New Orleans, LA, July 25, 2015.

Schonfeld D: Mental Health Module Coordinator for European Masters in Disaster Medicine Course, May 22, 2015, Novara, Italy.

Schonfeld D: Supporting the grieving child and family. Visiting lectureship in pediatric bereavement for the Carson Russell Couch Endowment, Children's Hospital Los Angeles, Los Angeles, CA, March 26-27, 2015.

Schonfeld D: Supporting children at times of crisis and loss. Guest speaker of the Philippine Pediatric Society and Committee on Disaster Preparedness and Council on Training and Continuing Pediatric Education Committee on Child Health Informatics, Quezon City, Philippines, October 7, 2014.

Schonfeld D: Effective discipline and behavioral strategies for preschoolers, How children come to understand illness and how we can learn to explain it better, and Supporting children in the aftermath of crisis. 2nd International Conference on Pediatrics: Novel Therapies in Pediatrics: A Global Perspective, St. Luke's Medical Center, Global City, Taguig City, Manila, Philippines, October 2-3, 2014.

Schonfeld D: Supporting children in times of crisis. The Howard A. Mermelstein, MD, Memorial Lecture, Three Rivers Pediatric Update, and Pediatric Grand Rounds, Children's Hospital of Pittsburgh, Pittsburgh, PA, May 15, 2014.

Schonfeld D: Mental Health Module Coordinator for European Masters in Disaster Medicine Course, June 2, 2014, Novara, Italy.

Schonfeld D: Are we ready? Working with schools and families after a crisis. The Second Annual Ellen C Perrin Lecture, Floating Hospital for Children at Tufts Medical Center, Boston, MA, March 18, 2014.

Schonfeld D: Aurora, Newtown, Boston and Beyond: Violence and Its Impact on Children. Plenary presentation at the 2013 National Conference and Exhibition of the

American Academy of Pediatrics, Orlando, FL, October 28, 2013. Additional presentation: Supporting the grieving child and family.

Schonfeld D: Mental Health Module Coordinator for European Masters in Disaster Medicine Course, May 20-21, 2013, Novara, Italy.

Schonfeld D: Communication needs for families and children related to Medical Countermeasures (MCM). 2013 Medical Countermeasures Initiative (MCMi) Lecture Series of the Office of Counterterrorism and Emerging Threats at the Food and Drug Administration, Silver Spring, MD, April 15, 2013.

Schonfeld D: Supporting children in the aftermath of a crisis. Invited Alumni presentation for Pediatric Grand Rounds, Children's Hospital of Philadelphia, Philadelphia, PA, March 13, 2013.

Schonfeld D: When children grieve: the pediatric provider's role. Keynote address for the Steven J Parker Memorial Developmental-Behavioral Pediatric Conference: Clinical Problems in Primary Care, Boston, MA, March 8, 2013.

Schonfeld D: Supporting the grieving student. Special Session at the National Association for School Psychologists 2013 Annual Convention, Seattle, WA, February 12, 2013.

Schonfeld D: Supporting children in the aftermath of a disaster (Hurricane Sandy). Four presentations sponsored by the Monmouth Medical Center & the AAP NJ Chapter (including pediatric grand rounds at Jersey Shore University Medical Center and evening CME for pediatric healthcare providers), Long Branch, West Branch, and Neptune, New Jersey, December 17-18, 2012.

Schonfeld D: Supporting students and staff after the shooting in Newtown, CT. Invited presentations for school staff of Newtown Public Schools (with additional presentations to faculty, administrators, mental health and counseling personnel, and other staff), Newtown, CT, December 16-17, 2013.

Schonfeld D: Strategies for successful coping of families (invited plenary presentation – additional workshops: Coping with Duchenne for recently diagnosed families, Duchenne for Dads, Duchenne for Mums), Action Duchenne International Conference 2012, London, England, November 9-10, 2012.

Schonfeld D: Promoting mental health recovery in the context of a crisis. Invited presentation for the United Federation of Teachers Professional Development Day (in the aftermath of Hurricane Sandy), New York City, NY, November 6, 2012.

Schonfeld D, Wiley S, Fredstrom B, Huffman L: Research training of developmental-behavioral pediatrics fellows: a survey of fellowship directors by DBPNet. Poster symposium presentation (oral and poster), Society for Developmental and Behavioral

Pediatrics Annual Meeting, Phoenix, AZ, September 10, 2012.

Schonfeld D and Nelson D: Supporting students and staff after the shooting in Aurora, CO, August 2, 2012, Aurora, CO. Invited presentation (in-person and live webinar) for school staff of Aurora Public Schools (with multiple additional presentations to faculty, administrators, other staff, mental health and counseling personnel, and parents) July 31-August 1, 2012.

Schonfeld D: Mental Health Module Coordinator for European Masters in Disaster Medicine Course, May 21 and 22, 2012, Novara, Italy.

Schonfeld D: Supporting children in the aftermath of a crisis. Wakeman Lecture, Pediatric Grand Rounds, Yale University School of Medicine – April 18, 2012, New Haven, CT.

Schonfeld D: Behavioral interviewing strategies for primary care providers; Understanding the conversion process: when psychological issues masquerade as physical illness; Discipline and behavioral management of preschool children; and Supporting children in times of crisis at 33rd Annual Las Vegas Seminars: Pediatric Update – November 17-20, 2011, Las Vegas, NV

Schonfeld D: Behavioral interviewing strategies for pediatricians; How children come to understand illness and how we can learn to explain it better; Discipline and behavioral management of preschool children; and Supporting children in times of crisis at Joe DiMaggio Children's Hospital 22nd Annual Pediatric Symposium – November 5-6, 2011, Hollywood, FL.

Schonfeld D: The field of Developmental-Behavioral Pediatrics: Past History and Future Promise. Keynote address at the 2011 National Congress on the Child and Health – October 27-29, 2011, Shanghai, China.

Schonfeld D: Supporting children in times of crisis. Keynote address at the International Conference on Development and Disorders (additional one hour presentation Discipline and behavioral management of preschool children) -- October 21-23, 2011, Chongqing, China.

Schonfeld D: Intervention research in school settings. Invited faculty presentation, NICHD Summer Training Institute, Applied Research in Child and Adolescent Development – June 22, 2011, Potomac, MD.

Schonfeld D: The impact of disasters on children. Child and Adolescent Psychiatry Grand Rounds, University of California San Francisco – May 13, 2011, San Francisco, CA.

Schonfeld D: Supporting children in times of crisis; Behavioral interviewing strategies for the primary care pediatrician; Discipline and behavioral management of preschool

children, 44th Annual Advances and Controversies in Clinical Pediatrics (UCSF) – May 12-14, 2011, San Francisco, CA.

Schonfeld D: Mental Health Module Coordinator for European Masters in Disaster Medicine Course, May 8 and 9, 2011, Novara, Italy.

Schonfeld D: The field of Developmental-Behavioral Pediatrics: Past history and future promise, Keynote address and additional plenary presentations (How children come to understand illness and how we can learn to explain it better; Setting limits and discipline) at 1st National Congress of Developmental-Behavioral Pediatrics – April 7-9, 2011, Ankara, Turkey

Schonfeld D: Supporting the grieving child and family. Invited plenary presentation for the Indian Academy of Pediatrics - American Academy of Pediatrics CME, 48th National Conference of the Indian Academy of Pediatrics (PEDICON 2011) – January 20, 2011, Jaipur, India.

Schonfeld D: Supporting children in the aftermath of disaster; How children come to understand illness and how we can explain it better – Invited workshop for community pediatricians and psychiatrists, Ummeed Child Development Center – January 23, 2011, Mumbai, India.

Schonfeld D: Supporting the grieving child and family; Understanding the conversion process: when psychological issues masquerade as physical illness. Invited presentations for staff of Ummeed Child Development Center – January 24, 2011, Mumbai, India.

Schonfeld D: Research; Families: Resilience and Risk. Invited presentations for DB:PREP: An Intensive Review of Developmental-Behavioral Pediatrics – December 11, 2010, Chicago, IL.

Schonfeld D: Informing children and their families about DMD. Seminar for Clinical Neuromuscular Team, Great Ormond Street Hospital, November 10, 2010, London, England.

Schonfeld D: Partnering with parents around the management of autism spectrum disorder: potential strategies for becoming a trusted resource of accurate medical information; Discipline and behavioral management of preschool children; Behavioral interviewing strategies for the primary care pediatrician; Supporting the grieving family; Supporting children in times of crisis; Understanding the conversion process: when psychological issues masquerade as physical illness. Aloha Update: Pediatrics (Sponsored by the American Academy of Pediatrics and the California District IX, Chapter 2, AAP), October 24-28, 2010, Kauai, Hawaii.

Schonfeld D: Supporting children and families in the aftermath of disaster. Plenary presentation at the 26th International Pediatric Association Congress of Pediatrics,

August 4-9, 2010, Johannesburg, South Africa. Additional platform presentations: The National Children's Study: A longitudinal initiative of international interest; Application of conditioning theory to behavioral management of young children – the science behind discipline advice.

Schonfeld D: The impact of disaster on children: Improving mental health support in the aftermath through increased awareness and a new model of care in school settings. Keynote address at the 19th World Congress of the International Association of Child and Adolescent Psychiatry and Allied Professions (IACAPAP) and 6th Congress of the Asian Society for Child and Adolescent Psychiatry and Allied Professions (ASCAPAP), June 3, 2010, Beijing, China.

Schonfeld D: Mental Health Module Coordinator for European Masters in Disaster Medicine Course, May 18 and 19, 2010, Novara, Italy.

Schonfeld D: Connecting with patients and families to conduct a behavioral/mental health interview; Discipline and behavioral management of preschool children; How children come to understand illness and how we can learn to explain it better; and Supporting children in times of crisis. Practical Pediatrics, American Academy of Pediatrics CME Course, December 3-5, 2009, Santa Fe, NM.

Schonfeld D: Talking with your children about Duchenne Muscular Dystrophy. Invited plenary presentation and workshops, Action Duchenne Conference – October 23-24, 2009, London, England.

Schonfeld D: Discussion Leader for Panel: How can schools help children, youth, and families prepare for and recover from disasters? The National Academies of Science Disaster Roundtable Workshop #25: Children and Youth in Disasters: Closing Gaps Among Research, Practice, and Policy – June 25, 2009, Washington, DC.

Schonfeld D: Conducting research in schools – common challenges and practical suggestions. Invited faculty presentation, NICHD Summer Training Institute, Applied Research in Child and Adolescent Development – June 21-26, 2009, Potomac, MD.

Schonfeld D: Mental Health Module Coordinator for European Masters in Disaster Medicine Course, June 2 and 3, 2009, Novara, Italy.

Schonfeld D: Preparing for the One Year Anniversary of the Earthquake. Invited training workshop arranged by Half the Sky for school personnel, Chengdu, China – March 14 and 15, 2009.

Schonfeld D (along with Hamilton S and Remley K): Mental Health in Emergency Planning, Response, and Recovery Webcast. The Office of the Assistant Secretary for Preparedness and Response and the Association of State and Territorial Health Officials – March 4, 2009, Washington, DC.

Schonfeld D: Supporting children, families, and ourselves at times of crisis. Pediatric

Grand Rounds, Children's Hospital, The University of Texas Medical Branch at Galveston, TX – December 12, 2008, Galveston, Texas.

Schonfeld D: 1) Adapting to new challenges: Lessons learned from applying Developmental-Behavioral Pediatrics' principles and approaches to address the needs of children and families after a crisis and 2) Familial and societal influences on behavior and development: The impact of bereavement, parental divorce, and sibling relationships. Invited plenary presentations for DB:PREP: An Intensive Review of Developmental-Behavioral Pediatrics – December 4-5, 2008, Atlanta, GA.

Schonfeld D: Supporting the grieving child and family and Mental Health Module of PEDS disaster course. Pediatric Mental Health Recovery in Disasters Conference, sponsored by the China Ministry of Health and the Zhenjiang Children's Hospital – November 1, 2008, Hangzhou, China.

Schonfeld D: Mental Health Module of PEDS disaster course sponsored by Capital Institute of Pediatrics, China Ministry of Health, and American Academy of Pediatrics – October 27-30, 2008, Beijing, China.

Schonfeld D: Supporting children around crisis and loss. Invited training workshop for Half the Sky and Sichuan University Mental Health Centre – October 23, 2008, Chengdu, China. Additional presentation to parents at shelter community in Dujiangyan, China – October 25, 2008.

Schonfeld D: Mental Health Module Coordinator for European Masters in Disaster Medicine Course, May 28, 2008, Novara, Italy.

Schonfeld D: Supporting children in times of crisis. Invited plenary presentation as part of roundtable on Child and Adolescent Development and Behavior at the 2nd Pan Hellenic Congress of the Hellenic College of Pediatrics – March 21, 2008, Athens, Greece (additional workshop on Discipline and behavioural modification – March 23, 2008).

Schonfeld D: Emotional impact of disasters. Invited plenary presentation at the 1st Annual Symposium of the Americas, hosted by the Asociación Mexicana de Pediatría (AMP-Mexican Pediatrics Association) – February 14, 2008, Mexico City, Mexico.

Schonfeld D: Supporting children in the aftermath of a crisis. Keynote address at the National Association of School Psychologists 40th Annual Convention – February 7, 2008, New Orleans, LA.

Schonfeld D: Principles in school crisis planning, commemoration, and memorialization. Panel presenter (with Barbara Monseu, Russell Jones and Carroll Ellis): The Aftermath of Virginia Tech: School Violence, a Social and Public Health Concern. 23rd Annual Meeting of the International Society for Traumatic Stress Studies – November 17, 2007, Baltimore, MD.

Schonfeld D: Back to the future: a constructivist perspective of Developmental-Behavioral Pediatrics. Presidential Address, 2007 Annual Meeting of the Society for Developmental and Behavioral Pediatrics – October 1, 2007, Providence, RI.

Schonfeld D: Supporting children in times of crisis. University of Maryland School of Medicine Bicentennial Pediatric Series Speaker – September 6, 2007, Baltimore, MD.

Schonfeld D: Supporting children in times of crisis. Keynote address at the National School-Based Health Care Convention – June 28, 2007, Washington, DC.

Schonfeld D: Conducting research in schools – common challenges and practical suggestions. Faculty presentation, NICHD Summer Training Institute, Applied Research in Child and Adolescent Development – June 24-29, 2007, Bolger Center, Potomac, MD.

Schonfeld D: Mental health in disasters. Mental Health Module Coordinator for European Masters in Disaster Medicine Course, May 29, 2007, Courmayeur, Italy.

Schonfeld D, Gurwitch R: Crisis preparedness: Doing your best to prepare for the worst. ASCD Annual Meeting – March 18, 2007, Anaheim, CA.

Schonfeld, D: Understanding the conversion process: when psychological issues masquerade as physical illness; Supporting children in times of crisis; Supporting the grieving family; Discipline and behavioral management of preschool children. 28th Annual Las Vegas Seminars, Pediatric Update – November 17-19, 2006, Las Vegas, Nevada.

Schonfeld D: Discipline and behavioral management of preschool children; Making the diagnosis of ADHD – it involves more than checklists; Supporting the grieving family; Supporting children in times of crisis; Understanding the conversion process: when psychological issues masquerade as physical illness. Aloha Pediatric Update 2006, Kauai, Hawaii. October 15, 17, and 18, 2006.

Schonfeld D: Helping children cope with disaster. Meet-the-Expert Session 2006 National Conference and Exhibition, American Academy of Pediatrics, Atlanta, GA. October 8, 2006.

Schonfeld D: Mental health issues for health professionals, families and children. Peds 21: Pediatrics for the 21st Century: Disaster Preparedness, Response and Recovery Issues for Children and Pediatricians. 2006 National Conference and Exhibition, American Academy of Pediatrics, Atlanta, GA. October 6, 2006.

Schonfeld D: The impact of disaster on children – and – In the aftermath of disaster: supporting children, families and ourselves. Pediatric Potpourri XV: Disasters: Preparation, Response and Recovery. Louisiana Chapter of the American Academy of

Pediatrics Annual meeting. New Orleans, LA. September 30, 2006.

Schonfeld D: One Year Later: Supporting children, families and ourselves. Pediatric Grand Rounds, Oschner Children's, New Orleans, LA. September 28, 2006

Schonfeld D: Developmental-Behavioral Pediatrics: Erikson's Adolescent or Tolkien's Tween? Incoming Presidential Address, Society for Developmental and Behavioral Pediatrics Annual Meeting, September 18, 2006, Philadelphia, PA.

Schonfeld D: Mental Health Module Coordinator for European Masters in Disaster Medicine Course, May 15, 2006, Pettenasco, Italy.

Schonfeld D: Supporting Children in Times of Crisis - and – Talking with Children About Death. Pediatric Jambalaya, Louisiana Chapter of American Academy of Pediatrics, April 22, 2006, Lafayette, LA.

Schonfeld D: Supporting Children in Times of Crisis. Louisiana State University Grand Rounds. Children's Hospital New Orleans. March 22, 2006, New Orleans, LA.

Schonfeld D: Supporting Children in Times of Crisis - Keynote Address, Louisiana Assembly on School-Based Health Care Conference, March 20, 2006, Lafayette, LA.

Schonfeld D: Supporting Children in Times of Crisis - Keynote Address, National Association of Social Workers Louisiana Chapter Conference, March 16, 2006, Baton Rouge, LA.

Schonfeld D: Hospital preparedness for mental health needs. Yale-New Haven International Congress on Disaster Medicine and Emergency Management, September 12, 2005, New Haven, CT

Schonfeld D: Implications for pediatric research. PAS/PPC State of the Art Plenary – Clinical Trial Registries: Challenges and Opportunities, 2005 Pediatric Academic Societies' Annual Meeting, May 15, 2005, Washington, DC

Schonfeld D, Freudigman K, Schwab-Stone M, Tomlin R, Cicchetti D: A randomized, controlled trial of an elementary school AIDS and sexual risk prevention program – positive impacts on early sexual debut and condom use. Platform Presentation at 2005 Pediatric Academic Societies' Annual Meeting, May 14, 2005, Washington, DC.

Schonfeld D: Mental health in disasters. Mental Health Module Coordinator for European Master in Disaster Medicine Course, May 9, 2005, Sandigliano and Arona, Italy.

Schonfeld D: Teaching children about HIV and AIDS; Helping children cope with crisis; School-based crisis intervention: doing your best to prepare for the worst; and Promoting successful parenting of preschoolers. Practical Pediatrics, American

Academy of Pediatrics CME Course, November 11-13, 2004, San Juan, PR.

Schonfeld D: Supporting children in times of crisis. Keynote address at the 2004 British Association for Community Child Health Annual Scientific Meeting Reading University, September 21, 2004, Reading, England (additional workshop on Talking with children about death)

Schonfeld D: Keynote address for Helping the Children: addressing the psychological impact of disasters on children. 24th International Congress of Pediatrics, August 16-20, 2004, Cancun, Mexico (additional presentations: Supporting children with terminal illness and Discipline, negotiating the limits)

Schonfeld D: Supporting children and families following disasters and terrorism. Triangle Lecture Series, Rollins School of Public Health's Center for Public Health Preparedness and Research, Emory University, May 26, 2004, Atlanta, GA

Schonfeld D: Supporting children in times of national crisis: Lessons learned from 9-11. 2003 Haggerty-Friedman Grand Rounds, October 8, 2003, Rochester, NY

Schonfeld D, Freudigman K, Schwab-Stone M, Kavanagh M, Cicchetti D, Tomlin R: A randomized, controlled trial of a comprehensive AIDS and sex-risk prevention initiative in 5th –7th graders. 21st Annual Meeting of the Society for Developmental and Behavioral Pediatrics, September 22, 2003, Pittsburgh, PA

Schonfeld D: Supporting children in times of national crisis: Lessons learned from 9-11. Marjorie Kantor Memorial Lecture at Children's Mercy Hospital, September 18, 2003, Kansas City, MO

Schonfeld D: Supporting children in times of crisis: Lessons learned from the terrorist attacks of 9-11. The Child Psychotherapy Lecture Fund, June 30, 2003, Brighton, England

Schonfeld D: Issues in Pediatric Bereavement. Invited workshop for the Chronic Illness, Death and Dying Module of the Masters Course in Community Child Health for Paediatricians, July 2, 2003, University of Leeds, Leeds, England.

Schonfeld D: Addressing Mental Health Issues in Pediatric Practice: Challenges and Possible Solutions. Presentation for the American Academy of Pediatrics District VII Meeting, March 29, 2003, Quebec City, Canada

Schonfeld D: Training in Developmental-Behavioral Pediatrics in the United States. Presentation at the National Center for Child Health and Development, March 24, 2003, Tokyo, Japan.

Schonfeld D: School Crisis Response. Presentation at a Symposium cosponsored by the National Center for Child Health and Development and the Japanese Society for

Traumatic Stress Study, March 23, 2003, Tokyo, Japan.

Schonfeld D: On death and dying. Presentation to the Children with Chronic Illness Study Group, National Center for Child Health and Development, March 23, 2003, Tokyo, Japan.

Schonfeld D: Supporting children after crisis events. Presentations to parents and teachers of Ikeda Elementary School, March 19 and 20, 2003, Osaka, Japan.

Schonfeld D: School crisis preparedness: Doing our best to prepare for the worst. Workshop for teachers at Osaka Kyoiku University and staff of the National Mental Support Center for School Crisis, March 18 and 19, 2003, Osaka, Japan.

Schonfeld D: Supporting children in times of national crisis. Presentation to physicians at Osaka Medical College, March 17, 2003, Osaka, Japan.

Schonfeld D: How schools can help support children in times of crisis. Keynote address at Critical Issues in School Health 2002: The Twenty-Fourth Annual School Health Conference of the Hezekiah Beardsley Connecticut Chapter of the American Academy of Pediatrics, May 9, 2002, Farmington, CT.

Schonfeld D: Helping children cope with terrorism and disasters. Presentation at the Ambulatory Pediatric Association Hot Topic Session Disaster Preparedness: Beyond 9/11, 2002 Pediatric Academic Societies' Annual Meeting, Baltimore, MD, May 7, 2002, Baltimore, MD.

Dreyer B and **Schonfeld D:** Developing a curriculum for fellowship research education: planning the process. Ambulatory Pediatric Association Workshop at the 2002 Pediatric Academic Societies' Annual Meeting, May 5, 2002, Baltimore, MD.

Schonfeld D: Helping children cope with terrorism and disasters. State of the Art presentation at the Society for Developmental and Behavioral Pediatrics 19th Annual Meeting and CME Workshops, March 18, 2002, Chicago, IL.

Schonfeld D: Supporting adolescents in times of national crisis -- potential roles for pediatric healthcare providers. Gallagher Lectureship (keynote address), Society for Adolescent Medicine Annual Meeting, March 9, 2002, Boston, MA.

Schonfeld D: Talking with children about the recent crisis. Plenary presentation (and Meet-the-Expert session) at the 2001 National Conference and Exhibition of the American Academy of Pediatrics, October 22, 2001, San Francisco, CA.

Schonfeld D: Talking with children about death. Pediatric Grand Rounds, Keio University Hospital, July 3, 2001, Tokyo, Japan.

Schonfeld D: Issues in Pediatric Bereavement. Invited workshop for the Chronic

Illness, Death and Dying Module of the Masters Course in Community Child Health for paediatricians, University of Leeds, June 6, 2001, Leeds, England.

Schonfeld D: Promoting positive parenting of preschoolers. Paediatric Clinical Meetings, University of Leeds, June 5, 2001, Leeds, England.

Schonfeld D: Workshop in Paediatric Bereavement. SAD Event Team meeting, University of Leeds, June 5, 2001, Leeds, England.

Schonfeld D: Conducting Research in Schools - Common challenges and practical suggestions. Research Institute presented at the Society for Developmental and Behavioral Pediatrics 18th Annual Scientific Meeting and Workshops, September 25, 2000, Providence, RI.

Schonfeld D: Evaluation of attention deficit hyperactivity disorder; Talking with children about death; Promoting successful parenting of preschoolers. Cape Cod Conference on Pediatrics, August 4-6, 2000, Hyannis, MA.

Schonfeld D: School crisis preparedness and response. Workshop presented (with Scott Newgass) at the Annual Convention of the National Association of Elementary School Principals (NAESP), March 18, 2000, New Orleans, LA.

Schonfeld D: Talking with children about death; Discipline and behavior management of preschool children; Evaluation of attention deficit hyperactivity disorder (ADHD); Promoting successful parenting of preschoolers. Practical Pediatrics, American Academy of Pediatrics CME Course, March 9-11, 2000, Orlando, FL.

Schonfeld D: Issues in Pediatric Bereavement. Invited workshop for the Chronic Illness, Death and Dying Module of the Masters Course in Community Child Health for paediatricians, University of Leeds, July 7, 1999, Leeds, England.

Schonfeld D: Talking with Children About Death. Presentation to the Terminal Care Group, Great Ormond Street Hospital, July 6, 1999, London, England

Schonfeld D: Children's understanding of HIV/AIDS and School-based Education. St. Mary's Hospital, Paediatric Grand Rounds, July 5, 1999, London, England.

Schonfeld D: Crisis Intervention in the Schools. Symposium: Coordinated Responses for Traumatized Children. 14th International Congress of the International Association of Child and Adolescent Psychiatry and Allied Professions, August 4, 1998, Stockholm, Sweden.

Schonfeld D: Children's Perceptions of AIDS. Invited Interdisciplinary Seminar, Göteborg University and Östra University Hospital, August 27, 1997, Göteborg, Sweden.

Schonfeld D: Children's Perceptions of Death. Invited Seminar for Department of Child and Adolescent Psychiatry, Göteborg University and Östra University Hospital, August 27, 1997, Göteborg, Sweden.

Schonfeld D: School-based AIDS Education. Research Conference for the Department of Child and Adolescent Psychiatry, Karolinska Institute, August 19, 1997, Stockholm, Sweden.

Schonfeld D: Children and HIV. Invited seminar sponsored by Leeds Metropolitan University, Faculty of Health and Social Care and Leeds City Council, HIV, Sexual Health and Drugs Unit, Leeds Civic Hall, July 4, 1997, Leeds, England.

Schonfeld D: Do the needs of children differ from those of the adults about them? and Ongoing support of families. Presentations at a Study Day: Coping with Sudden Death, Community Child Health, University of Leeds, July 3, 1997, Leeds, England.

Schonfeld D: Talking with children about death. Workshop presented for the Chronic Illness, Death and Dying Module of the Masters Course in Community Child Health for paediatricians, University of Leeds, July 2, 1997, Leeds, England.

Schonfeld D: Issues in pediatric bereavement. Seminar presented at the Barnardos Castles Project, June 30, 1997, Leeds, England.

Schonfeld D: Helping children deal with death within a school setting. Keynote presentation at Deathly Silence: Helping Schools Deal with Loss and Grief Conference, Rotherham Department of Education Services, June 30, 1997, Rotherham, England.

Schonfeld D: School-based Crisis Intervention: Doing the Best to Prepare for the Worst. Invited plenary presentation at the School Health Leadership Training Conference, June 7, 1997, Atlanta, GA.

Schonfeld D: The Next Generation -- Educating Children and Youth. Invited plenary presentation at the Tenth International Conference on AIDS Education (Renewing the AIDS Movement: Conversations Linking Our Experience to the Future), November 11, 1996, Atlanta, GA.

Schonfeld D, Perrin E, Quackenbush M, O'Hare L, Showalter D, Cicchetti D: A randomized, controlled trial of a school-based AIDS education program taught by elementary classroom teachers. Presented at the 36th annual meeting of the Ambulatory Pediatric Association, May 9, 1996, Washington, DC.

Schonfeld D, Perrin E, Quackenbush M, O'Hare L, Showalter D, Cicchetti D: Success by regular classroom teachers in implementing a model elementary school AIDS education curriculum. Presented at the 9th International Conference on AIDS Education, November 27, 1995, Jerusalem, Israel.

Schonfeld D: The role of the health team in crisis intervention among school children. Presented to a meeting of pediatricians and allied health professionals at Schneider's Children's Medical Center of Israel, December 4, 1995, Petah Tiqva, Israel.

Schonfeld D: Talking to children about death. Crisis intervention in the schools. Workshops presented at The Second Annual Conference on Loss and Transition/West, October 20, 1995, Anaheim, CA.

Schonfeld D: Talking with children about death. Workshop presented for the Chronic Illness, Death and Dying Module of the Masters Course in Community Child Health for paediatricians, University of Leeds, May 10, 1995, Leeds, England.

Schonfeld D: Children's conceptual understanding of AIDS and the efficacy of school-based education. Postgraduate Seminar, University of Leeds, May 8, 1995, Leeds, England.

Schonfeld D: A randomized, controlled trial of a school-based AIDS education program taught by elementary classroom teachers; Symposium: Children's understanding of AIDS and its behavioral causes. Presented at the 1995 Biennial meeting of the Society for Research in Child Development, March 30, 1995, Indianapolis, IN.

Schonfeld D: Talking to children about death. Presented at The National Conference on Loss and Transition/East -- From Tragedy to Triumph, March 3, 1995, Boston, MA.

Schonfeld D, Kline M: Crisis Intervention in the Schools; Symposium S-22, Urban Stress and Trauma, Panel II. Presented at the IACAPAP 13th International Congress, July 27, 1994, San Francisco, CA.

Schonfeld D: Feasibility and Importance of Universal Screening. Presented at Building a Lead-Safe Future: Second Comprehensive National Conference by the National Alliance to End Childhood Lead Poisoning, May 16, 1994, Washington, DC.

Schonfeld D, Rainey P, Cullen M, Showalter D, Cicchetti D: Screening for lead poisoning by finger stick within suburban pediatric practices. Presented at the 34th annual meeting of the Ambulatory Pediatric Association, May 3, 1994, Seattle, WA.

Schonfeld D: Lead poisoning among children: Prevention and treatment. Presented at the Fourth Annual Maternal and Child Health Update (Transitions in Maternal and Child Health: Promoting Policy Reform), December 3, 1993, College Park, MD.

Schonfeld D, O'Hare L, Quackenbush M, Perrin E, Showalter D, Cicchetti D: Elementary-school AIDS education: The impact on comprehension, knowledge and fears. Presented at the Seventh International Conference on AIDS Education, November 16, 1993, Chicago, IL.

Schonfeld D: Explaining AIDS to young children: What pediatricians and schools need

to know. Presented at the 1993 Annual Meeting of the American Academy of Pediatrics, November 3, 1993, Washington, DC

Katz S, **Schonfeld D**, Leventhal J, Carter A, Cicchetti D: The accuracy of children's reports with anatomical dolls. Presented at the 11th annual meeting of the Society for Behavioral Pediatrics, September 12, 1993, Providence, RI.

Schonfeld D, O'Hare L, Quackenbush M, Perrin E, Showalter D, Cicchetti D: A randomized, controlled trial of a school-based AIDS education program for the elementary grades. Presented at the 33rd annual meeting of the Ambulatory Pediatric Association, May 6, 1993, Washington, DC.

Schonfeld D, Cullen M, Rainey P, Berg A, Brown D, Cicchetti D: Screening for lead poisoning using finger stick samples: False positive rates in an urban pediatric clinic. Presented at the 33rd annual meeting of the Ambulatory Pediatric Association, May 5, 1993, Washington, DC.

Schonfeld D, Cullen M, Rainey P, Berg A, Cicchetti D, Brown D, Hogan J, Turk D, Rude C: Screening for lead poisoning by finger stick: False positive rates in an urban pediatric clinic. Presented at the CDC Conference on Pediatric Lead Poisoning Prevention, December 8, 1992, Atlanta, GA.

Johnson S, **Schonfeld D**, Siegel D, Krasnovsky F, Boyce J, Saliba P, Perrin E, Boyce W: Urban elementary students' conceptual understanding of causality for AIDS, colds, and obesity. Presented at the 10th annual meeting of the Society for Behavioral Pediatrics, September 21, 1992, St. Louis, MO.

Schonfeld D, Johnson S, Perrin E, O'Hare L, Cicchetti D, Addabo M: "You get AIDS from bad drugs - like cigarettes" -- A developmental survey of what elementary school children really understand about AIDS. Presented at the VI International Conference on AIDS Education, August 17, 1992, Washington, DC.

Schonfeld D, Johnson S, Perrin E, O'Hare L, Cicchetti D: Understanding of AIDS by elementary school children -- A developmental survey. Presented at the 32nd annual meeting of the Ambulatory Pediatric Association, May 6, 1992, Baltimore, MD.

Johnson S, **Schonfeld D**, Krasnovsky F, Boyce J, O'Hare L, Green N, Boyce T, Siegel D: Children's primary sources of AIDS information -- A comparative study of urban elementary students from Oakland, California and New Haven, Connecticut. Presented at the 9th annual meeting of the Society for Behavioral Pediatrics, September 22, 1991, Baltimore, MD.

Timmel D, **Schonfeld D**: Please Don't Die on My Shift -- Helping the Pediatrician Deal with Patient Death. Workshop presented at the 31st meeting of the Ambulatory Pediatric Association, April 30, 1991, New Orleans, LA.

Schonfeld D: Helping the Child Deal with Death: The Pediatrician's Role. Workshop presented at the 30th meeting of the Ambulatory Pediatric Association, May 8, 1990, Anaheim, CA.

Schonfeld D, Kappelman M: The impact of school-based education on death concept formation in early elementary school-aged children. Presented at the 29th meeting of the Ambulatory Pediatric Association, May 4, 1989, Washington, DC.
